Sobre o Autor:

Meu nome é **Lucas Sales**, tenho 25 anos e resolvi criar esse E-book após passar por uma experiência em que precisei ajudar minha filha a resolver alguns exercícios escolares e naquele momento vi que ela estava com muitas dificuldades, sabemos como é o método de ensino no Brasil e que muitas crianças não conseguem acompanhar o ritmo da escola.
Foi então que vendo aquela situação, resolvi criar algumas atividades e exercícios para fazermos juntos em casa, daí nasceu a ideia de ajudar outros pais e crianças que passam diariamente pelo mesmo problema que eu e minha filha passamos,
foi então que criei o **LIÇÃOZINHA**.
